[Vain Venom Ink - Tiktok](#)

This is a small portfolio put together of some designs done for companies I have worked for, along with some general designs done for different functions.

CUPO CAFE

DESIGN LINK

The work I did at Cupo Cafe focused more on videography and coffee making, however I had one design task before leaving the company which is included in the link.

VAIN VENOM INK

DESIGN LINK

The work I did at Vain Venom Ink gave me more design opportunities for posts and videos and instagram stories which are all included in the link.

FURTHER INFORMATION

All the above linked projects were designed on Canva, Illustrator and Picsart by Chanté Miles

The videos on the Vain Venom Ink Tiktok page from 10 August up to 20 October 2023 were all created by Chanté Miles

GENERAL DESIGNS

DESIGN LINK

The General Designs included in this link are all designs done for various projects that were done for family members or friends or for a small family business. There are also some tattoo designs and posts created for clients while at Creativ Collectiv X.
